	Course load (hrs)		15				
Module/course coordinator	Ph. D. Szymon Kisiel						
Lecturer	Ph. D. Szymon Kisiel						
Course/module objectives	<ol style="list-style-type: none"> 1. Fundamental problems concerning the process of functioning law in spheres connected with conducting a business activity will be presented. 2. The main objective is to help students to develop the ability of using legal text from commercial law in the process of describing, analysing and resolving specific cases. 3. The lecture will help to understand the legal rules of commercial law. For example how to establish the new partnership/company and what are the differences between specific forms of them. 4. Work during the lectures is based on polish and partially european legal acts (ex. Polish Code of Commercial Partnerships and Companies, EU regulations). 						
Entry requirements	Basic knowledge on polish and european law, public and private finances.
